

Dear Smile Shoppe patients and family,

The State of Arkansas has mandated that we stop seeing all patients except for the following cases:

- Severe dental pain from nerve inflammation
- Large cavities or defective restorations causing pain
- Pericoronitis or painfully erupting teeth
- Abscess or localized bacterial infection resulting in localized pain and swelling.
- Tooth fracture resulting in pain or causing soft tissue trauma.
- Dental trauma with avulsion/luxation (tooth knocked out or loose)
- Dental devices that come loose and cause pain or irritation

If you need assistance, please email us at info@smile-shoppe.com

We are committed to doing our part to help reduce the effects of the Coronavirus Pandemic and are willing to make sure our patients have access to the care they need. Once this is passed, we will contact you to reschedule all visits including cleanings, fillings, orthodontic and all other visits.

Thank you for letting us serve your family for almost 30 years.

Stay safe and God Bless,

Jeffrey D Rhodes, DDS, MS

Chief Smile Officer

Fellow- American Academy of Pediatric Dentistry

Diplomate and Board Examiner of the American Board of Pediatric Dentistry
